

How to Write a Perfect Paragraph to Answer a Question:

1. Warm it up! Skim the title and the text. Think about what you already know.

DO	WHAT

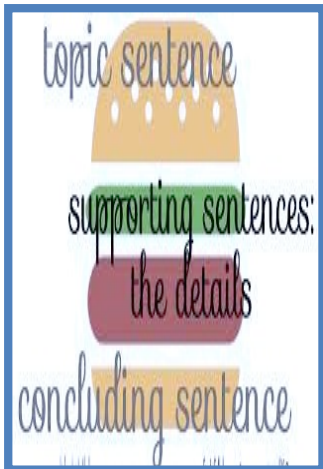

2. Read the question. Make a **Do/What** chart to focus your reading.

3. Read and take notes on evidence you will use in your answer on scratch paper.

6. Decide in what order you will write evidence.

7. Write a topic sentence. Use words from the question to start.

8. Write detail sentences to explain your answer.

9. Write a closing sentence.

10. Re-read and check your work.
